

Group Catering Options

Self-catering

We have a Group Kitchen on site that can seat up to 40 people inside with additional outdoor furniture, plus the option of seating 40 more people in the adjacent Sky Lounge.

In addition to this, if staying in the Basic Cabins, we have outdoor picnic tables beside each unit and the dedicated Jackson's Kitchen for preparing meals in.

The Group Kitchen and Jackson's Kitchen are fully equipped with utensils, pots and pans, toasters and kettles and fridges, but do not have cutlery, crockery or glasses/cups.

Sometimes we have multiple groups staying with us, for example during a school sports tournament, which means the facilities are on a first come first served basis. Please notify us of your intention to use on-site facilities.

The on-site Beachside Conference and Events Centre [link] can cater for groups of 70 or more - breakfast, lunch or dinner – either in the events centre or at a barbecue area or in a marquee on site (we have one set up mid-December to end-March or can assist you source one).

The Beachside team can also supply boxed meals to take with you or cater at an alternative location off-site as they specialise in out-catering, under the banner of Gourmet Catering.

Café Dining - Alternatively, the Holiday Park's on-site café, The Deck, is available for smaller groups for breakfast, lunch or dinner – please contact Chris on deckcafestore@gmail.com.

Food Trucks – if the café is unable to cater your group, we can make recommendations for food truck operators that will come on-site and cater for you. This is not an option between December and end of January but otherwise there is plenty of space, with power hook-up.

Off-site - We also have several take-out options close by including pizza, Indian, Thai and fish and chips.
