

Association Update

AGM Thankyou ... Nga Mihi Nui

It was fabulous to see so many of you, along with a number of staff members, councillors and council hopefuls, at our most recent AGM. We as a board are here to represent the collective interests of the association's members and stakeholders, not our own personal interests. Your continued support of our Tahunanui Beach Camp Association is invaluable and we appreciate you all. We are so fortunate to have this amazing asset in our community. Tahunanui is a most fantastic little neighbourhood!

Resource Consent!

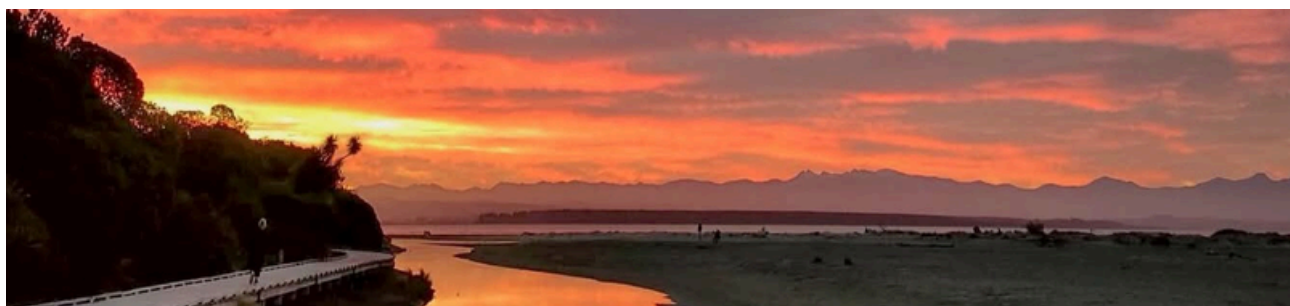

As mentioned at the recent AGM, we have now received our Resource Consent. This protracted process has been an expensive distraction. However, we are pleased to finally have the document in our possession. We can be certain in the knowledge that Tahunanui Beach Holiday Park will continue to make happy holidays possible for our thousands of visitors each year, that this wonderful parcel of land remains for us all to enjoy and our community of residents are safe in the knowledge they are welcome in the village. We met with interested residents on Oct 27th to be sure they were aware before the media release came out. There were many questions and our chair Steve Cross did a great job explaining the complexities and reassuring residents. Overall the mood was happy.

New Constitution

Steve Cross also advised members at the AGM about the required new constitution. The changes made were largely to comply with the new Act such as maintaining a minimum membership of 10, complying with procedures around AGMs, a disputes resolution process, disclosure requirements, more specificity around Board members and consent, and managing conflicts of interest. The constitution has been lodged and we are now re-registered to comply with the Act.

Block 6

If you happen to be out walking in the area, check out the upgraded mens facilities down at block 6. This particular ablution has received the most complaints for many years. We are now thrilled to say the mens bathrooms are stunning! Thanks to all the hard work put in to get this done and dusted before we go into the summer silly season!

Association Update

100 Year Project

Debbie Armatage and the events team have been working hard to get this special project ready to run. Recently, other community groups and neighbours were invited to discuss the centenary events and encourage them to get involved. Some great ideas came out of the meeting, including 100 things to love about Tāhunanui and other thoughts to keep the momentum going beyond 100 years, celebrating our fascinating and historically rich little neighbourhood. Attendees included Cycle Nelson, Natureland, NCCM, TBCA, Night n Day, Tāhunanui Hub, Tāhunanui School, Habitat for Humanity, and five more keen for extra info including the Nightingale Library.

We're excited to get the show on the road and share our celebrations with the community.

Tāhunanui Beach Bus 2025/26

We are delighted to advise we have secured a major sponsor for the Summer Beach Bus for this coming season, with Nelson Airport coming to the party.

It is also wonderful to announce that the double decker run will extend to stop at the Classic Car Museum. The route will now work as a circular run, from there to the city, around to the beach and back to the Holiday Park. Times of departure remain the same and the extra cost will be covered by the NCCM.

The bus will also be utilised after the summer run ends for the Walk the Runway event (with Nelson Coachlines picking up this extra tab).

The Dark Destroyer visits

The holiday park recently hosted Shaun Wallace (The 'Dark Destroyer' from TV's The Chase). He stopped in for lunch and mini golf while he was touring NZ with Cure Kids, raising money for the charity with Quiz nights. He caused quite a stir, with people queueing at the cafe for photos with him, not to mention the beautiful car he was driven around in courtesy of the Nelson Classic Car Museum (NCCM). Our involvement was 100% due to our Tāhunanui + Stoke collaboration.

(We're building up some nice images in our Frame of Fame.)

Caravan & Motor Home Show

Early November has seen the park once again host the Nelson Motorhome, Caravan & Outdoor Show. It appears to have been another hugely successful event as we turned on the sunshine for a fantastic weekend filled with exhibitors and friendly faces. Well done to all those involved!

And finally, as our collective attention turns toward Christmas and the summer holiday season, we as a board wish you all a **Merry Christmas!** May it be a fabulous festive season full of family and friends **and a properous New Year** for all in 2026.
